

TEST-TAKING STRATEGIES for CECE

The following are example study materials:

- Rosenthal Encyclopedia for Counseling
- Online Practice Exams
- Focus on testable material
 - Professional Counseling Orientation and Professional Practice
 - Social and Cultural Diversity
 - Human Growth and Development
 - Career Development
 - Counseling and Helping Relationships
 - Group Counseling and Group Work
 - Assessment and Testing | Research and Program Evaluation.
- Podcasts and YouTube

Start Early and Study Often!

Perhaps start studying 2-3 months (or more depending on level of test anxiety) prior to the exam, set a schedule to study 20-30 minutes, 5-6 days a week, until the last 3 weeks. Then bump it up to more time.

COPE/CSI Study workshops

Thursday, Feb 18 @
5:00pm

Thursday, March 25 @
5:00pm
